

How To Get Multiple Cartzy Stores

Syeda Khadija Phool - 2024-04-18 - Setting Up Cartzy

You can have multiple Cartzy stores! It's a great way to increase your income and grow your business. You can follow the steps explained below or you can watch a quick demo video shared at the end of this article to learn how to add multiple stores.

□ If you are on a Platinum Plan, you can add a maximum of three Cartzy stores at one time.

To add multiple Cartzy stores, follow these steps:

1. Go to **Settings > Subscription Management**.

2. Click on the **Add New Store** button on the **Subscription Management Dashboard** page.

□ If you have already three stores to your Cartzy account, the Add New Store button will be disabled and upon hovering over it, you will get this tooltip message:
"You have reached the limit to create new store, you will not be able to create further stores against this plan"

3. Upon clicking the **Add New Store** button, you will be redirected to a form in a new tab. Do the following:

- a. Enter the **store name** without space.

□ The **Email** and **Password** fields are uneditable at this stage, because you

will be using the same login credentials that you use to log into your Cartzy admin panel.

b. Checkmark the **Terms and Conditions** checkbox.

c. Click the **Create My Account** button.

4. The **“Successfully Registered”** notification will appear on the page while your store will be created. Stay on this page.

5. Once your new store is created successfully, a confirmation message will appear on the same page. Click the **OK** button and you will be redirected to the Cartzy login page.

6. Once you log into your Cartzy account, a welcome window will appear with the details of your new Cartzy store. You click the **Let’s Get Started** button to start setting up your store using the **Quick Start Wizard**.

7. You can use the **Quick Start Wizard** to quickly set up your new store in eight steps, or you can click the **Exit to Dashboard** option to go to your Cartzy admin dashboard.

8. You can verify the creation of the new store at the path **Settings > Subscription Management**. The newly created store will be listed on the **Subscription Management Dashboard** page.
